President's Report

Hi to you all and welcome to this report which is coming to you via our new email system. Michelle, Neville and Jarrod have been working on this to make it easier to send and receive communication for the secretary.

I am writing this report after our ten-pin bowling night, a great turnout and some impressive scores were achieved. I do hope you all enjoyed the night.

We are two months away from the 24th Mini Nationals being hosted by MOWOG in Wellington. If you haven't registered yet, you need to get this done and book your ferry crossing. The club has organised some accommodation, which was taken up very quickly. Finally – prepare your car for the weekend. I have organised some bookings and registered, but have my own car still in bits – nothing too major though!

We have discussed our own plans for the 2020 Nationals at committee level with me still to organise a club meeting to set up a sub-committee. This will happen very soon. We still have 2 years to organise this event.

We are heading into spring and this is when the calendar gets busy with planned events.

So, hope to see you out using your mini on the club events.

Happy Mini motoring

Barry Eggelton

Events and Highlights from the past month or so!

Sunday 29th April – Mike’s run out to Rangiora and museum visit. What a fascinating place! So much stuff and a lot of memories of things used in our childhood! Definitely worth a visit with afternoon tea provided and a great chat with the owner.

Saturday 19th May – Track Day at Ruapuna. Another awesome day held in conjunction with the Mini 7’s Club and thanks again to Warwick for his generous sponsorship. Always a good day for racing driver ‘wannabe’s’ and time to talk about how good their cars are!

Sunday 10th June – A run out to Oxford, meeting up with the members of the Car section of the Oxford Working Men’s club. Lunch was held at the club after some drooling over an amazing line up of cars in the car park. A further combined run was held out to Loburn Domain and the general consensus was to hold this event again!

There are mini’s hiding somewhere!

Sunday 24th June – Mid Winter Christmas – An easy navigational run to Phillippa and Mike’s for the soup course, then on to Barry’s for the main, with the final course of desert, tea and coffee at Merv and Lorraine’s. Another great day.

Sunday 8th July – AGM Pie and Pint Run. Held at the Ashley Hotel. A very well-run event again with good support from the members. We said goodbye and thank you to a few ‘old’ committee members and welcomed several new ones. The club looks to be in very good hands going forward. A copy of the AGM minutes is enclosed later in this newsletter.

Sunday 28th July – Run to Arthurs Pass. A fantastic day with 7 minis joining in. We started at the Peg Hotel, Belfast then travelled through to Sheffield to meet up with other members and for a coffee/pie before moving on to the Bealey Hotel for lunch. Only one mini had issues at the top of Porters Pass with Barry commenting that it was first time he remembered seeing a mini with it’s bonnet open, up there! Sorry Neville! We were able to sit outside for a while at the Bealey and soak up some winter sun before heading indoors for lunch. Off to Arthurs Pass Village for coffee and a chance for Kit to keep her niece and nephew happy – one working at the Bealey and the other in the coffee shop at the village! For the last three cars to leave we struck snow at the top of Porters and the windscreen wipers were not too happy about having to work! Good for taking photos as there was quite a gap between sweeps! Absolutely stunning view, although a little scary!

Hard to tell but this was snow!

Friday 17th August – The annual Ten Pin Bowling Night. What a great turnout! Nathan had booked 5 lanes and had to increase to 6 to accommodate 35 players with 2 cheerleaders 😊. More details late, but let me just say here that the ladies definitely showed who were on top this year!

Sunday 19th August – For the second year we had a pot luck lunch for the committee and their partners. This was a great day for everyone, especially the new committee members, as a way of getting to know each other.

Sunday 26th August - A big thank you to all those that turned out to the Daffodil Day organised by VCC. Again, stunning weather for a fantastic event. Approximately 450-500 cars turned out!

the classic and the new mini and it is really starting to come together. We will have new merchandise available once the logo is confirmed – watch this space.

******Membership**

Please remember to complete your membership application and pay subs before 1 September 2018 to remain a financial member. If you pay by Direct Credit I still need your form to complete my bookwork! I have enclosed a membership form in case you have mislaid the last one.

Thank you to all club members that have returned their forms and paid subs. Hope to see you on a run soon.

Editors Comments

I have kept this newsletter reasonably short and hopefully sweet as the AGM minutes will take a bit of reading. I apologise for any errors and there will not be a prize for spotting them. As Barry said, spring/summer is a good time to get the car back out of the garage and we will be looking to hold a number of runs/events over the next few months. Please let me know if there is something you would like to do or somewhere you would like to go as a club and we will try to accommodate. It is nice when club members make suggestions as it helps out your committee. REMEMBER it is your club, not just the committee's and we don't know what you like doing unless you tell us!

Held at Ashley Hotel, 08 July 2018.

Meeting commenced at 11.00am.

Welcome / President's report

Barry Eggelton welcomed everyone to the AGM and thanked them all for attending.

"Welcome to the 30th AGM of the Canterbury Mini Owners Club Inc and thank you for attendance this morning.

We go into this AGM with two proposals that the committee have brought up and discussed. The first is do we need to rebrand the club and what the end result will be. We have a proposal that could work with some fine tuning.

Canterbury Mini Car Club Inc

July Aug 2018. Issue 1.

The second is a change to the membership section with the addition of a Memorial Membership. These will be brought up in General Business for discussion.

Our membership over the last year fell short of our usual 90 members with a final tally of 78. This year is looking good with 10 new members already. We still need our regular members to carry on within the club.

As we go into the elections we need to replace 3 positions that have become available over the course of the year. It's not a big commitment so here's hoping for fresh recruits. To the remaining committee a big thank you for your help and support over the past year. The Club couldn't function without this group.

Barry Egelton, President, CMOC."

Fun Day at Ruapuna – a very generous sponsor paid half the track rental meaning the members racing only needed to pay app \$20. Many thanks to Warwick Leech.

Still working on a website. Michelle has had tuition from John. Michelle and Jarrod to revamp in line with new branding if appropriate,

VCC Daffodil Day last Saturday of August – details to be confirmed in Newsletter and Mini Sheet emails.

General Business

Memorial Membership –

Due to the passing of two members it was brought up at a recent committee meeting the idea of changing the Constitution to include a Memorial Membership. This allows for partners of deceased members to retain membership at no charge of a membership fee. The granting of this membership will be at the discretion of the committee.

Barry Egelton/Michelle Reeves moved the Constitution be amended. Carried

Rebranding –

To include images of new BMW Mini.

Name change to Canterbury Mini Car Club was discussed - we need to get the name away from CMOC as Canterbury Mustang Owners Club have the same initials and there has been confusion in the past.

Logo ideas were also put forward/displayed. Sara's idea of a new and a classic Mini headlight to headlight was thought to be going down the right track. Red minis with black roof and black stripes to support Canterbury.

Motion proposed by Barry Egelton: Name change to Canterbury Mini Car Club, subject to no clash with other businesses/clubs. Vote taken – passed unanimously.

Cholmondeley Children's Home –

Dale asked if we still donate to this cause. Barry confirmed we didn't this past year, but would like to still promote. Murray has put our name down at Bunnings and Dale will get him to check timing, etc, for a sausage sizzle.

2020 Nationals –

Philippa asked do we need money to kickstart the Nationals? Barry feels we have enough to start and we will bring on board sponsors, etc. BMW Mini Garage very supportive (Barry & Michelle met with Warren, Marketing Manager BMW).

Peter asked do we have any indications for numbers at the Nationals. Had 200 cars in 2005. Dunedin, 2 years ago, had approximately 140 cars. Sub committee to advertise/marketing for general public.
